Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My compounded natural hormones
have literally changed my life for the better.
I've been taking them for 2 1/2 yrs. now &
am finally able to sleep at night & be free
of hot flashes. The regular "Premarin" was
not able to do this for me.
